Alcohol Policy:

1. If alcohol will be served, there will be an additional \$100 fee required (in addition to the rental fee) plus an additional insurance policy is required by our insurance company. This policy must be requested by the renter and provided to the Grange at least 14 days prior to the event. The fee for this policy is at the sole discretion of the insurance company (typically between \$100-150)
2. Any public event where alcohol will be served or sold, will require a Boulder County Special Event Liquor Permit. This must be requested from the county a minimum of 30 days prior to the event.
3. All public events serving alcohol will be reviewed by the Grange Board to ensure the event is appropriate for the Grange venue.

Please send email if you have questions or special requests. Includes the use of all chairs and tables. Audio equipment is not supplied. Wifi is available.

Time reserved should include the time needed for set up, clean up, and breakdown.

Depending on the event, it may not be possible to schedule your event if there is another one going on simultaneously - we want to be sure it is a good experience for all renters. Most often the request is to rent both upstairs and downstairs together.
